Tool List for the Triangle Box woodturning project

These are the tools that I use to make the Triangle Box in the Demonstration:

3/4" Spindle Roughing Gouge
1/16" Parting Tool
3/8" Beading and Parting Tool
3/8" 40/40 Bowl Gouge
3/4" Arc Negative Rake Scraper
1/8" Parting Tool
General Brand Vernier Caliper (for scribing)
3/8" Ray Key Signature Gouge
1/2" Square Recess Scraper
3/8" Finial Gouge
1/4" Pyramid Tool
1/2" Round Negative Rake Scraper
Figure 8 Caliper (for wall thickness)
Depth Gauge
Compass for layout
Awl
Steb Centers for headstock and tailstock
Miniature drill chuck for micro drill bits

Please note: It is not necessary to have all of these tools to make this project! These are what I used, but it is possible to make this box without owning all of these tools.

Most of these tools (and more) are available on my website, cindydrozda.com. The rest of them can be found at other woodturning tool suppliers.
